

## 25 TRAINING OBJECTIVES FOR DISCIPLESHIP

### 23. Practical Instructions

- *Truth to Teach:* Our actions are a reflection of our faith. As we read the Bible, we see commands to use our tongue wisely, use our time wisely, give our tithes to the church, and give thanks in all circumstances. We show our faith by the way we live.
- *Scriptures:* **James 2:14-26** > What is wrong with having faith with out deeds? Is it possible to have faith with out deeds?

**Tongue - James 3:1-12** > What does James compare our tongues to? And what damage can our tongues do?

**Ephesians 4:29-32** > How should we speak to one another? What should we refrain from?

**Time - Ephesians 5:15-20** > What are we to be careful of? How are we to live? Why?

**Colossians 4:2-6** > Is it important to devote time to God each day? Why?

**Tithes - Malachi 3:10** > What is God's command in this passage? What is the result of obedience?

**2 Corinthians 8:1-15** > Based on this passage there are several ways we should give, what are they?

**Thanksgiving - 1 Thessalonians 5:16-18** > When should we give thanks? Why?

**Psalms 136** > Why should we give thanks to God?

- *Application:* Think about ways you can obey God in each of these different areas of your life.
- *Activities:* List some of the ways we obey God in each of these areas.
- *Practice:* What can you do to make sure you are practicing these instructions?
