

## 25 TRAINING OBJECTIVES FOR DISCIPLESHIP

### 4. God the Father

- *Truth to Teach:* As Christians, we worship only one God. But God is made up of three Persons: God the Father, God the Son, and God the Holy Spirit. Therefore, God is three Persons, but He is only one God.
- *Scriptures:*  
**Deuteronomy 6:4-5** > What word is used to describe God? Why is that word significant?

**Genesis 1:1** > Who created all things? What was created apart from Him? Why is God as creator significant?

**Genesis 1:26 ("us")** > Who is the "us" referred to in this passage? How does that make us different from all other creation?

**Isaiah 6:8 ("us")** > To Whom was God talking in this passage?

**2 Thessalonians 2:13-14** > How do we see all three members of the Trinity in this passage? Who calls us to salvation? Who sanctifies us? Who must we believe in?

- *Application:* Know that the concept of the Trinity is hard to completely understand. We know it is true because it is what the Bible teaches us. God is too great for our minds to comprehend completely.
- *Activities:* Thank God for His awesome greatness and thank Him that He loves us even when we don't completely understand.
- *Practice:*  
What can you do this week to remind yourself every day what God has done for you?

In what ways should we praise God as Father? How has He shown Himself as Father to you?
